

Traditional Japanese Reiki Chuden (second degree) Qualification Examination

In order to be eligible to receive Chuden certification, students are required to complete the following demonstrative and written examination within approximately six weeks of taking the class. The exact date/time frame will be set by your Reiki Instructor. Any student who does not complete this examination within that time frame, will not receive certification and will be required to retake the class again at full cost. Visit traditionaljapanesereiki.com/class-forms to download class forms.

Mail completed test to: Traditional Japanese Reiki, PO Box 1160, Colfax, CA 95713

Print your name: _____

Date: _____
